

Welcome to West Town Lane Academy

This is the Nursery!

We are the Ladybirds class.

When you arrive you will line up
along the path and come in through
this door.

Welcome!

You will have a peg just like this to hang up your belongings.

You will have somewhere special to keep your lunchbox, snack and drink.

You will be able to go to the toilet and wash your hands in the bathroom.

The toilets and sinks are just the right size for nursery children!

There are lots of rooms for you to play
in and resources to explore!

We have a great outdoor area for you
to play in too!

We have bikes and
scooters to play on!

We have smart
jumpers to wear!

At lunch time you can have a school dinner or your own packed lunch. We walk to the Aspire hall to eat out lunch with our lovely lunchtime staff.

Sabrina, Kelly and Maurice
