One thing I am looking forward to

.....

.....

One thing I am worried about:

.....

.....

Making new friends	dinner time	a new timetable
getting lost	new teachers	new uniform
playtimes	being with friends	homework
school rules	working on my own	older children
lunch play	P.E. lessons	new books
new lessons	seconds at lunch	joining clubs

Other staff who may help me are:

Miss Reid and Miss Davies, they are the other year 2 teachers.

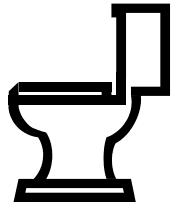

Miss Dimopoulou (Miss D) will be helping us learn in 2DL.

Find the names of some of the things you will use in your new class.

Moving to my new class

The toilets I will use are in the year 2 area;

I can use them when I need to but I must ask an adult to go out in class time.

I can use them on my way out to play and at lunchtime.

I must remember to wash my hands.

The pegs I will use are on a stand outside my classroom door, we will each have a named peg.
