I am looking
forward to my
new class

I will play in this playground:

These are my new teachers:

Some things I know about my teacher:

I'm Mr Thomas! My favourite subjects are Maths, Geography and Music. I have taught in Year 6 for over 10 years and this is my first year teaching in Year 5! My favourite hobbies are cycling, watching football and playing the guitar.

I'm Mrs Claridge. I have taught at West Tone Land Academy in lots of different classes from Year 1 to Year 6. I am looking forward to teaching in Year 5 this year with Mr Thomas. My favourite subjects are English and History. My favourite hobbies are reading, exploring new places and drinking coffee!

One thing I am looking forward to

.....
.....

.....
.....

One thing I am worried about:

.....
.....

Making new friends	dinner time	a new timetable
getting lost	new teachers	new uniform
playtimes	being with friends	homework
school rules	working on my own	older children
lunch play	P.E. lessons	new books

The toilets I will use are in the year 5/6 area;

I can use them when I need to but I must ask an adult to go out in class time.

Moving to my new

The pegs I will use are on a trolley that stays in class near the door.
